NSC BRIEFING

10 December 19[illegible]

LIBYA

25X1

I. Western position in Libya has deteriorated steadily during past few months, and reporting on the situation has taken note of urgency since early November.

A. Widespread anti-West sentiment, encouraged by pro-UAR and pro-Communist propagandists, influencing Prime Minister Kubaar.

25X1

C. Kubaar says he has Soviet aid offer under consideration.

II. Kubaar has said publicly he will ~~promised to~~ renegotiate American aid and US base rights. His demands probably will be stiff.

[redacted]

B. Little likelihood of solution for internal political problems unless King acts more vigorously.

25X1
